

Portland – South East office

Solent Business Park at Whiteley is north of the M27 at Junction 9. As you come off the motorway and enter the Business Park, you will come to a roundabout after 200 yards with Solent Hotel off to the left. Turn right at this roundabout, travel for around 300 yards when the road swings around sharply to the left. After a further 300 yards, you will see a lake on the left with a fountain (normally switched on). Opposite this lake, there is a road off to the right. There is a large office for Abbey on the corner of this turning. If you miss the turning you will reach a roundabout at the end of the road after 100 yards where you can U-turn.

Having turned right, after around about 50 yards, you will come to a mini-roundabout and Portland's car park is off this at 11 o'clock.
